(featuring Jared Leto of 30 Seconds To Mars)

Life is pursuing for you
You know it's just a game or two
Girl, I've been blown away by your love
These are not just stupid songs
And I want you to know that I love you, baby

I'm rolling in like thunder in your heart
I'm just just as fast as lightning for your soul
Baby, I know
That you've been sad
I'm rolling in like thunder in your heart

(Jared Leto's verse)
Honey, I know the past is the future
I can't take it anymore
Our love is like a thousand roses
And I don't know what I'm doing
But I don't want to let you go

(chorus)

This junk is over
This junk is over
This junk is over

(Jared Leto)
Yeah

(Jonathan Hallman)
Baby, I love you so much
HA!

I'm rolling in like thunder in your heart
