I used to think that we could drink from the bottle of
pure and simple life
Now I know that we can't go two or three days without a
pointless fight

I truly think that we would reposition
The cold reality of what we're thinkin'
STOP!
LOOK!
And listen
Maybe that's the way that will know
Stop, look and listen

In just a blink we could to shrink to something that
might not make it back
In the end, I hope we mend maybe we can finally make
it right

(chorus)

Maybe this time we can heal our wounds
Cause if we don't we'll just make some more
We've got a long way to go
It just takes a moment to kiss goodbye
IT JUST TAKES A MOMENT TO KISS GOODBYE!

(chorus)
