spam(light guitar riff)

B-b-baby  
I was just wonderin'  
If you would love me tonight

B-b-baby  
I know he drives you crazy  
And I will protect you  
From darkness

Don't float away  
Don't leave me  
Leave your boyfriend me alone  
And love me

G-g-girl  
It feels like you're on top of the world  
I'm proud of you

G-g-girl  
I don't want you to get hurt  
I'm all alone  
Without you

Here's the truth  
I love you  
I think I'm going insane  
But I can't live without you, baby

(guitar solo)

B-b-baby  
I was just wonderin'  
Let's get out this hatred

B-baby  
You got me going crazy  
I'm just heaven to you  
This song's for you

I was just wonderin'  
I was just wonderin'  
Wonderin'
