LET'S GO!

You said you'd never leave me
And yet there you go
Hey, this wasn't supposed to happen
And yet there you go
I saw you with that boy

AND YOU WERE!

Right through the door
Leaving me alone
Cause I wish that you would be with me
For life and it's catastrophies
And you said, "You mean nothing to me".

AHH!

I just thought together we'd stand
But now I'm looking for your hand
Where are you
Cause all four walls are coming down tonight

AND YOU WERE!

(chorus)

AHHHHHHHH!

But now I'm looking for your hand
Where are you
Cause all four walls are coming down tonight
Where are you
Cause all four walls are coming down to...

NIGHT!!

(chorus 2x)

YOU MEAN NOTHING TO ME!!!!

Right!
