In my room she'll get to you  
In my room she'll get to you  
In my room

Could I turn on the light?  
Impress unknown eyes  
Humor absorbs the thoughts

Challenge emotionless thoughts  
Seeing things with a second glance  
As she turns through her magazines

In my room she'll get to you  
In my room she'll get to you  
In my room

Could I turn on the light?  
Impress unknown eyes  
Humor absorbs the thoughts

Lift up your sorted heads  
Played like dancing fools  
Turning the tension round  
Building up silent sounds

Just another day  
Oh, in my room  
Struck out like before  
Oh, in my room, room  
Room, room, room
