The blazing sunset  
In your eyes  
Will tantalize  
Every man  
Who looks your way  
I watched them sink  
Before your gaze  
Seniorita sway  
Dance with me  
Before their frozen eyes  
I'm so much in love  
Like a little soldier  
Catching butterflies

No man loved like I love you  
Wouldn't you like to love me too  
In the heat of the morning  
In the shadow  
I'll clip your wings  
And I'll tell you I love you  
In the heat of the morning

I'll tie  
A knot in rainbow's end  
Organise the breeze  
Light my candle from the sun  
I'll give you  
Daylight for a friend  
I'll do all of these  
I'll prove that it can be done  
Oh, I'm so much in love  
Like the ragged boy  
Who races with the wind

No man loved like I love you  
Wouldn't you like to love me too  
In the heat of the morning  
In the shadow I'll clip your wings  
And I'll tell you I love you  
In the heat of the morning

In the heat of the morning

In the shadow I'll clip your wings  
And I'll tell you I love you  
In the heat of the morning

Oh, yeah, all day, all the way
