Intro)

Gotta break it on down
Gotta break it on down
Bring it on down...
Gonna be wiser for you
Never you leaving my boo

(Verse 1)

Never thought I'd know such pleasure
Never thought I'd come to feel
The tenderness of your touch
The good taste of your sweet love
The sexiness of your appeal
When you smiled, I saw angels
Then all my worries disappeared
You looked at me with your heart
Blessed me with your wonder
And had my future in your ends, so...

(Chorus 1)

Wherever you roam
That's where
However you climb
That's how
Wherever you shine
That's when
It don't matter the time
Baby, , yeah...

(Verse 2)

It was like a trip to heaven, yeah...
A fantasy come true
There is no greater wonder
A spell you got me under
Whatever you ask of me, I'll do, so...

(Chorus 2)

Wherever you roam
That's where
However you climb
That's how

Wherever you shine
That's when
It don't matter the time
Baby,
Wherever you roam...

However you climb
That's how
Wherever you shine
That's when
It don't matter the time
Baby,

Gotta break it on down
Gotta break it on down
Bring it on down...
Whenever you want it, baby
Whenever you need, baby
Whenever, said whenever you want, you need, oh,
yeah, yeah...

Whenever, however
You want it, baby
Whenever you need, baby
Said when you want it
And when you need it
You want it, baby
Whenever you need, baby, so...

(Chorus 3)
Wherever you roam
That's where
However you climb
That's how
Wherever you shine
That's when
It don't matter the time
Baby,

Whenever, however
You want it, baby
Whenever you need, baby
Said when you want it
And when you need it
You want it, baby
Whenever you need, baby, , so...

(Chorus/Fade Out)
