Let the telephone ring  
It's about to get physical  
It's just you and me on a late night creep  
Plan on making you moan  
But first let's get the mood right  
I got the '76 Dom Perignon  
And a dime bag of smoke so let's get it on  
Come on

1 - It's ok, it's alright  
We're gonna do it tonight  
Don't you worry 'bout a thing  
It's ok, it's alright  
We're gonna do it tonight

Get the bath water ready  
It's about to get kinky  
I imagine that body so soft  
I won't know 'till you take your clothes off  
Don't you be afraid  
I wanna be your sex slave  
Give you some lovin' kissin' and huggin'  
You won't ask for nothin'  
Oh no no no

Repeat 1  
Don't you worry about a thing and  
Repeat 1  
Take it to the bridge, gonna take it to the bridge  
Come on

Whatever we do ain't leavin' here  
I got a million ways to love you  
I'll be gentle so there's no need to fear  
So come over here (Come over here baby)  
I've been waiting for this for so long  
Seems like I can't hold back this feeling  
I'm on a mission to make you moan  
So come, come on, come on

Repeat 1

Yeah, I wanna make you moan  
It's alright  
Whatever we do aint' even here  
You don't have to be afraid baby  
No  
Said it's

Repeat 1 with ad lib until fade
