Verse 1)

I see us in the park strolling the summer days of
imaginings in my head

And words from my heart told only to the wind

Felt even without being said

(Bridge)

I don't wanna bore you with my troubles

But there's something 'bout your love

That makes me weak and knocks me off my feet

There's something 'bout your love

That makes me weak and knocks me off my feet

Knocks me off my feet

(Chorus)

I don't wanna bore you with it

Oh but I love you, I love you, I love you

I don't wanna bore you with it

Oh but I love you, I love you, I love you

More and more

(Verse 2)

We lay beneath the stars under a lover's tree

That seems through the eyes of my mind

I reach out for the part of me that lives in you

That only our two hearts can find

(Bridge)

(Chorus out
