(Chorus)

Waiting on you

I'm not going to

I won't be waiting on you no more

Waiting on you

I'm not going to

I won't be waiting on you no more

(Verse 1)

I know you're getting tired

Of what I put you through

But it's not the same way

That's what I used to do

Now I want you back

So, girl, I've changed my ways

Please stop frontin' on me

Why you wanna do me this way

(Hook)

I can take it

I can fake it

(Chorus)

(Verse 2)

Why can't you just believe  
That things are different now  
I'll do whatever it takes  
Let me show you how  
There will never be  
No other girl for me  
Just give me one more chance  
You know I'll make it last

(Hook)

I can't take it  
I can't fake it

(Chorus)

Break it down...  
Why do you wanna do this to me  
Oh, oh..., yeah, yeah, yeah...

Ain't gonna wait, ain't gonna wait, waiting for you  
Ain't gonna wait, ain't gonna wait, waiting for you  
Ain't gonna wait, ain't gonna wait, waiting for you  
Ain't gonna wait, ain't gonna wait, waiting for you

(Chorus/Vamp Out)
