verse one)

I just left my baby girl a message, said I won't be
coming home

I'd rather be alone

She doesn't fully understand me

Cause I'd rather leave than to cheat

If she gives me some time

I could be the man she needs

But there's a lot of lust inside me

And we've been together since our teenage years

I really don't mean to hurt her

But I need some time to be alone

(chorus)

But when you love someone

You just don't treat them bad

Oh how, I feel so sad

Now that I wanna leave

She's crying her heart to me

How could you let this be

I just need time to see

Where I wanna be

Where I wanna be

(verse two)

Never did I imagine that you would play a major part

In decision that's so hard

Do I leave? Do I stay? Do I go?

Think about my life and what matters to me the most

Girl, the love that we share is real

But in time your heart will heal

I'm not saying I'm gone but I

Have to find what life is like without you

(chorus)

I'm sorry baby
