You can't have my love no more

(Chorus)

You should know it's over now

Cause I got another love

So I'm saying...

You should know it's over now

Cause I got another love

(Verse 1)

You never gave me all your special time

Cause you're too busy hanging out

That's not what my love's about

I gave my heart my soul my trust to you

You tried to play me for a fool

That's why I found somebody new

(Chorus)

(Verse 2)

You don't have to play these games no more

Cause there's someone new in my life

And they always treat me right

I don't even know why you still try

Cause there's no way I'm coming back

Girl it's way too late for that

(Chorus)

(Bridge)

I need someone who's there for me

You just don't have that quality

I tried to give you everything

But you couldn't love me

So I'm saying...

(Chorus/Vamp out
