It's been a long road and i'm tired
of all the heavy load
the targets and the goals
i played my last call
and i'm cashing in my chips
I just can't carry on
the strength i had is gone

oh Can't you see
that i've taken enough
My eyes have cried for the very last time
oh can't you see
what you've been doing to me
I wanna be the same again

My brain is all gone
i can't see straight
you got admit to know where
promise on me somewhere
till i found love much too late
that you take me for a fool
play out of the rules

ooh can't you see
that i've taken enough
my eyes have cried for the very last time
oh can't you see
what you've been doing to me
i wanna be the same again

ooh can't you see
that i've taken enough
my eyes have cried for the very
for the very last time
oh can't you see
what you've been doing to me
i wanna be the same again
