Hello!  
Are you drowning deep inside?  
Does it make you want to cry?  
All the words we said, were they meaningless?  
Like the time we spent?

Hello!  
We've built this house of lies.  
And we'll tear it down in spite.  
Of the times we had, all the good and bad  
And it makes me want to scream.

CHORUS  
So wave goodbye  
To your old life.  
Cause we built this house on broken dreams,  
And we locked the keys inside.  
So take your plans  
And say we tried.  
Cause we built this house on broken dreams,  
And we locked the keys inside.

Hello!  
I've listened to your lines  
And I wrote this down in spite.  
Of the times we had, all the good and bad  
And it makes me want to scream.

CHORUS  
So wave goodbye  
To your old life.  
Cause we built this house on broken dreams,  
And we locked the keys inside.  
So take your plans  
And say we tried.  
Cause we built this house on broken dreams,  
And we locked the keys inside.

Rupture this.  
I won't close my eyes and follow you  
Fracture that.  
I'm doing everything I wanted to.

Rupture this.  
I won't close my eyes and follow you  
Fracture that.  
I'm doing everything I wanted to.

#### CHORUS

So wave goodbye  
To your old life.  
Cause we built this house on broken dreams,  
And we locked the keys inside.  
So take your plans  
And say we tried.  
Cause we built this house on broken dreams,  
And we locked the keys inside.  
And we locked the keys inside.
