me myself myself and i

just me my self and i.... (x2)

i woke up late

fell out of bed

missed the bus

to highschool hell

moms painting my nails

reading a magazine

you think me asleep

me steal the keys

now im the star

of my neighborhell

god there's no need

to yell

cuz ive changed my name

~chorus~

you know that i

love to do it all the time

i wanna get high

and that fine

me myself myself and i

just me myself and i... (x4)

today i got hate

made the grade

i guess ill graduate

oh well

smoking can kill

oh how i love these days

~chorus~ (x2)

me myself myself and i

just me myself and i (x2)

~chorus~(fadeout
