It's been a while since you left St. Joe  
And still I tell myself  
You've got to feel the same way.  
I'll get a letter very soon.  
I know so I call in each day

And ask them at the relay

And they say: Hey!

There's nothing I can do  
If I don't get through  
Blame it on the pony express.  
There's nothing I can stay  
If it goes a stray  
Blame it on the pony express

I only pray that the long delay  
Doesn't mean I lost the heart I had a claim on  
But if they stay on a homeward trail  
I know there's gonna be a letter with my name on  
How can I go on

There's nothing...

Honey if you're lonely blame it on the pony express.  
Cherokee  
Pawnee  
Na-va-jo Indian it's such a long way  
From St. Joe to Sacramento.

I'm tryin' not to worry but my heart is in a hurry  
So ride just as fast as you can.
