boody boody ya ya ya  
she came from east bombay  
and she like to rock and sway  
she could rock and sway all day  
and she came from east bombay  
boody boody ya ya ya  
she came from aberdeen  
and she was a jumping bean  
she was a jumping bean queen  
and she came from aberdeen  
boody boody ya ya ya  
i've got something  
i've got somthing  
i've got something  
to sing  
boody boody ya ya ya  
she wore a big sombrero  
she came from rio de janiro  
and she shot her bow and arrow  
while she wore a big sombrero  
i've got something  
boody boody ya ya ya!!!:)
