I can't take it I'm so lonely gee I need you so

I can't take it for I wonder why you had to go.

But baby ev'ry night I wake up crying tears on my pillow

And pain in my heart and you on my mind.

I remember all the good times that we had before.

I remember and now my heart my very soul cries out
for more.

And baby all your love for me is dying tears on my
pillow

And pain in my heart and you on my mind.

I'll always remember that day you promised to love me.

You said you'd love me to the very end.

and I'll never forget

I'll never forget

When you walked away from me

You walked out of my life with my very best friend.

Did you say that you want me back?

Did you say that you want me baby?

Did you say that you used me baby?

Did you say that you need me baby?

Did you say that you love me baby?

Did you say that you love me baby?

And baby ev'ry night I wake up crying tears on my
pillow .
