"All We Are"

Under water,
the sea moves
without sound

Over the skyline,
I know I'm out of bounds

Night time, city,
where I look, I'm not seen.

Alleys, Doorways,
No one knows, where I've been

All we are

All we are,
is emptiness left to fill.
We stare ahead,
with too much time,
time to kill.

Fortune, diamonds,
that game's not for me.

Onto the next step,
to be what I can be.

Tell me tomorrow,
the things I haven't done.

Ruined daydream,
the war still isn't won.

All we are.
