(StarkeyHudsonGrakaIDudas)  
Sometimes it's a lonely life I lead  
Sometimes I just don't care  
No one around me to put me down  
Me - I can go anywhere  
Well I'm alone but I'm alright  
I'm on my own on a Saturday night  
I don't know why honey I don't care  
(Chorus)  
I'll be fine anywhere, I'm doing alright  
I'll be fine anywhere, I know a lot about living  
It don't pay to care, I'll be fine anywhere  
Well I say somewhere down the line  
If nobody's next to me  
Don't need no one to reminisce  
All of my memories  
Well I'm alone but that's alright  
I'm on my own on a Saturday night  
I don't know and sugar I don't care  
(to Chorus)  
I got no worries when I'm out running around  
The devil don't own my my angel told me  
Man you're heaven bound  
Well I'm alone but that's alright  
Every day is Saturday night  
I don't know and I don't really care  
(to Chorus)
