It don't come easy,  
You know it don't come easy.  
It don't come easy,  
You know it don't come easy.

Gotta pay your dues  
If you wanna sing the blues  
And you know it don't come easy.  
You don't have to shout  
Or leap about  
You can even play them easy.

Forget about the past  
And all your sorrow,  
You jump on past  
It will soon be your tommorow.

I don't ask for much  
I only want it first  
And you know it don't come easy.  
And this love of mine  
Keeps growing all the time  
And you know it just ain't easy.

Open up your heart  
Let's come together,  
Use a little love  
And we will make it work out better.

(interlude)

Gotta pay your dues  
If you wanna sing the blues  
And you know it don't come easy.  
You don't have to shout  
Or leap about  
You can even play them easy.

Please remember this  
Is how we make it,  
Here within your dreams

If you're big enough to take it.

I don't ask for much

I only want it first

And you know it don't come easy.

And this love of mine

Keeps growing all the time And you know it don't come  
easy. (postlude)
