I phoned up my doctor,  
To see what's the matter,  
He said come on over,  
I said do I have to,  
My knees started shakin'  
My wrist started achin'  
When my doctor said to me . . .  
Oh my my, oh my my, Can you boogie, can you slide,  
Oh my my, oh my my, you can boogie, if you try,  
Oh my my, oh my my, It's guaranteed to keep you alive  
The head nurse, She blew in, just like a tornado,  
When they started dancin', I jumped off the table,  
I felt myself healin', and as I was leavin'  
This is what they said to me . . .  
Oh my my, oh my my, can you boogie, can you slide  
Oh my my, oh my my, You can boogie, you can fly,  
Oh my my, If you try, It's guaranteed to keep you alive.  
Now if you should slow down,  
And you're feelin' low down,  
Don't call up your doctor,  
Just grab you a partner,  
It's what you've been missin',  
I've got your prescription,  
That boogie woogie remedy.  
Oh my my, oh my my, You can boogie, you can slide,  
Oh my my, oh my my, We can boogie, 'til we die,  
Oh my my, If you try, it's guaranteed to keep you alive.  
Oh my my, oh my my, Watch me boogie, watch me fly,  
Oh my my, oh my my, Born to boogie, born to slide,  
Oh my my, oh my my, Ooh wee boogie, ooh wee I  
Oh my my, oh my my, Play that boogie, Play that slide.
