Beans and Cornbread had a fight  
Beans knocked Cornbread outta sight  
Cornbread said "Now that's alright, meet me on the  
corner tomorrow night"  
I'll be ready, I'll be ready tomorrow night  
I'll be ready, I'll be ready tomorrow night  
I'll be ready, I'll be ready tomorrow night

That's what Beans said to Cornbread "I'll be ready  
tomorrow night"  
Beans told Cornbread you ain't straight  
You better wake up or I'll gash your gate  
Been in this pot since half past two  
Swelling and puffing and almost due  
I'll be ready tomorrow night, that's what Beans said to  
Cornbread  
You always getting mad at me, I ain't mad at you  
I'll be ready tomorrow night, I'll be ready, Mmmmmm

Beans grabbed cornbread by the toe  
Beans said "Cornbread let me go"  
Cornbread said "I'll lay you low, I'm gonna fight you,  
you so and so"  
Meet me on the corner, met me on the corner tomorrow  
night  
That's what Beans said to Cornbread , you so bad, you  
always wanna fight

Meet me on the corner tomorrow night and I'm gonna  
beat the hell out of ya  
Oooohhhhh (meet) on the corner tomorrow night  
Beans hit Cornbread on the head, Cornbread said I'm  
almost dead  
Beans told Cornbread (NOW?) get up man, you know  
that we go hand in hand

Beans told ???  
That's what Beans said to Cornbread, We should stick  
together hand in hand  
We should get up every morning and hang out  
together like sister and brothers

Every Saturday night we should hang out like  
chitterlings and potatoes salad

Like shrawberries and shortcakes, YEAH  
Like cornbeef and cabbage, YEAH  
Like liver and onions, YEAH  
Like red beans and rice, YEAH  
Like ,YEAH  
Like soft cream and v?, YEAH  
Like bread and butter, YEAH  
Like pot cakes and m  
Beans told cornbread, it makes no difference what you  
think about me,  
but it makes a whole lot of differences what I think  
about you, we  
should hang out like together like pot cakes and M  
That's what Beans said to Cornbread
