Another, another, another, another
Another number one hit
So get your groove on

Another number one hit
So get your groove on

Ah, anything I want boy
Ah, anything I need boy
Ah, anything I want boy

Another number one hit
So get your groove on

They say that money can't buy me love
But they don't know this Tenderoni
That I speaking of
She's so fly from her head to her toes
And I suppose
That's why I'm tricking off my dough

1 - So if it's diamonds she wants, then I'll
I'll dig into a mine and search until I find
If it's a fur that she needs to keep warm
Then I'll wrestle a bear to keep her lovin' right here

2 - Anything she wants, everything she gets
She wants it all the time
So I'll provide and buy
Anything she wants and everything she gets
Cuz all her love is mine
When she's satisfied

Anything I want boy
Ooh, that's what she said to me
She's a material girl
But that don't bother me
Check books, credit cards, American Express
Financially I'm twisted and addicted, I confess

Repeat 1

Repeat 2

[Redman]

Yo, yo

Hey yo, son I ain't trickin' off, bitch better trick me

Serving grade AD to A and TNC

Something like AK Nell

Better fuck me for free

Cuz when trickin'

I do stickin' like IV's

I told Montell spend your money like your ***

If she yells Cristal

Give her double dukes

If she wants a mink

Get her ass a goose

She was shady before ya

dropped "This is How We Do It"

Now my MO

Hydro with a bimbo

Da' CoCo got her Cabana's

Out da' window

I get deep like I stuck my feet in slow

You jump out of bed

Boggling, screaming timbo

When a broad want ice

Give her ass a ice pick

And then dismiss like Vibe did Chris

(But diamonds are a girl's best friend)

Yeah, yeah mine too

That's why the 44 cocked right behind you

Repeat 1

Repeat 1

I'll get your hair, nails, and toes done

I'll trick off all my dough

To let you know that you're the one

You'll like the car you drive

The clothese I buy

Cuz you're so fly

Tell me baby... Can Montell provide????

Repeat 1 until fade
