[Intro]

Supply every need that your body desires

I'll do

Anything for you

Yeah

I'll do anything

(Do anything)

I'll do anything

Anything you want me to

And everything that I will do

Do do do do do

You walked into the room

And the smell of you're perfume

Said that it's on

And I'm so excited

Ooh, the look you gave to me

That those other guys can't see

Says that you're going home

And I'm invited

If you're requesting some company tonight

Someone to hold you tight

Well that's me baby, baby

I won't make promises

If I can't deliver

So I'll do whatever

To keep you satisfied, girl

1 - I'll do anything

To keep you satisfied

Tonight, tonight

I'll do anything

To keep you next to me

Tonight

Don't you hesitate

When you have fantasies

Tell me how I can please

And I'll do it, I'll do it

I'll nibble on your negligé
Uhh, then I might just stop
And work my way down
From your neck to the floor
And lick my way up to the top

You don't have to question
If I'm under your spell
But, oooh, if you want Montell
Then just turn it on over
Now there's no pressure
You can take your time
But please make up your mind
If you wanna be satisfied

Repeat 1

If you're requesting my company tonight
Someone to hold you tight
I will (supply every need that your body desires)
I, I won't make promises if I can't deliver
But baby I promise if you surrender
That I'll keep you satisfied
Oh baby
Tell me what you want
What you need
And I'll tell you what I'll do
(Supply every need that your body desires)
Baby I'm doing this just for you Hey girl I said I'll do it...
Repeat 1 w/ad-libs to fade
