Maybe she will, maybe she won't

1 - She don't kiss on the first date (No)  
She won't have sex if you don't wait (Oh, no)  
I don't believe it so  
I gotta try, she don't, she won't  
But maybe she will tonight

She won't let you near the kit-kat (No)  
She don't give head, said she ain't like that (No, no)  
I've heard it all  
But I gotta try, she don't, she won't  
But maybe she will tonight

Lipstick, hair weaves, and toe nails  
A hotel lobby full of females  
And though I can't give you all the details  
I still remember  
Some particular shorty on a certain night  
She was specifically standing over to my right  
She's GHETTOFABULOUS, and I'm sure  
If I tried to take her home with me she'd say

Repeat 1

She wants my hotel room number  
To my jacuzzi suite with the mini bar  
She wants to live like a superstar for just one night so  
She's showing me her ta-ta's in the limousine  
And then she turn around and had the nerve to say to me  
She don't wanna do what she'll regret in the morning  
So what am I to do?

Repeat 1

Repeat 1

Maybe she won't (Maybe I will)  
Maybe she won't (Maybe I will, I will, I will)

Maybe she won't (Maybe I will)  
But I know you will (I know I will)  
Tell me why

Repeat 1 till end
