[Intro]
[TP] I'm so ready for everybody to go home
[MJ] Yeah, me too
[TP] I want you so bad right now
[MJ] You ready?
[TP] Let's do this

Think it's time to say goodbye
To our company
Now it's time to say goodbye
To all our company
I don't wanna wait any longer, yeah

Some friends came by to kick it
But the time is passing slow
We've wine and dined for half the night
We told every joke that we know
Now I don't mind entertaining
But your body language is telling me
Along with your bedroom eyes
Feels like it's time for them to leave now

1 - It's getting late
And I don't want them to stay
They don't have to go home
But they gotta get up, get out, and get on

2 - Think it's time to say goodbye
To our company
So glad they could come
But they stayed too long
Don't mean to be rude
But they need to go home

3 - Now it's time to say goodbye
To all our company

We're so glad you could come
They stayed too long
Don't mean to be rude
They need to go home

[TP]

Baby, I'm feeling you
And I'm glad you're so attentive to my every move
I know that you want it
So why don't we just play it cool
And hope they're leaving soon
Let's wait a while is what I said before
But this waiting is making me want you more

Repeat 1

Repeat 2

Repeat 3

We like it when you drop by for a minute
Excited that you came by here to kick it
But when they see the foreplay in our eyes
I think they should realize
That it's getting time to go
I can sneak a feel and they won't know
We want you to go home
We need to spend tonight alone
Tonight alone, tonight alone boy

Repeat 3

Repeat 2

Repeat 3

Gave me a sign
The look in your eyes
Says you want it baby
Put yourself on it babe
Can't take it no more
Won't you lay on the floor
And I'll be keeping you warm
I'm so glad that they're gone
