Somehow, I'm still out here on the road  
It gets hard, you know  
I don't know when I'll be coming home  
It all will show

BRIDGE:

I've been such a fool, never thought I'd lose  
On my own and I don't know where  
I'm not making plans  
I don't stand a chance  
Nothing left and I couldn't care

CHORUS:

I'm gonna let it go  
Watch the pieces fall into place  
You're still my home  
I can see the look on your face  
I can see the look on your face

Underneath the overhang, we froze  
In May, in snow  
Told me we would bend before we broke  
This time I know

BRIDGE

CHORUS

I'm gonna let it go  
Watch the pieces fall into place  
You're still my home  
I can see the look on your face

CHORUS

I can see the look on your face
