the feeling of dread  
dreamt what's-his-name was dead  
or maybe was christian  
can't tell you though

christian, christian  
lining them up for the witch hunt  
christian, christian  
will it be sink or swim?  
christian, christian  
you and yours, like the wolf-pack  
christian, christian  
moving in for the kill

the needles, i dream  
i'm keeping them so clean  
we'll finish what we have  
we're finished

christian, christian  
lining them up for the witch hunt  
christian, christian  
will it be sink or swim?  
christian, christian  
you and yours, like the wolf-pack  
christian, christian  
moving in for  
moving in for  
moving in for the kill

there was blood on the walls  
and those brutality needles  
there was blood on the walls  
and those brutality needles  
when he thought he was losing  
was when i knew that he had won  
there won't be blood on my hands  
for things i never believed in  
i'll admit i'm a loser  
please just send me home

christian, christian  
lining them up for the witch hunt  
christian, christian  
will it be sink or swim?  
christian, christian  
you and yours, like the wolf-pack  
christian, christian  
moving in for the kill
