all of my intricate strategies
could I have taken this too far
will we get to go much faster than this
weren't we meant to touch the stars

Could I have taken this too far
why can't we fly?
(I'll build the perfect machine)
or was I finished at the start
why can't we fly?

all the while my ten percent
I'm tongue-tied back inside out
will we get to last much longer than this
are we pretending that we're nice

Could I have taken this too far
why can't we fly?
(I'll build the perfect machine)
or was I finished at the start
why can't we fly?
(I'll build the perfect machine)

Could I have taken this too far
why can't we fly?
(I'll build the perfect machine)
I only meant for us to fly
why can't we fly?

(flying flying)

maybe I'll dream of fantastic memories
(flying flying)
I hear the voices speaking to me and we're...
(flying flying)
maybe I'll dream of fantastic memories
(flying flying)

Could I have taken this too far
why can't we fly?
(I'll build the perfect machine)

or was I finished at the start
why can't we fly?
(I'll build the perfect machine)

Could I have taken this too far
why can't we fly?
(I'll build the perfect machine)
I only meant for us to fly
why can't we fly?
