"hey hey," she said
"i'm not half the man i used to be
the shoes you lent me
don't seem to fit the same."

we can still haha and laugh about it
cos all in all i never doubted
i would be the one who leans on you

did you think it would hang on me?
i'll hang on you
did you think it would hang on me?
i'll hang on you
did you think it would hang on me?
i'll hang on you
did you think it would hang on me?
i'll hang on you

"well well," it said
"that you always want what you can't get"
i didn't get that
'til i didn't get a thing

we can still haha and laugh about it
cos all the while i never doubted
i would be the one who still needs you

did you think it would hang on me?
i'll hang on you
did you think it would hang on me?
i'll hang on you
did you think it would hang on me?
i'll hang on you
did you think it would hang on me?
i'll hang on you

i'll hang on you, ooh
ooh, oooooooh

we can still haha and laugh about it
all in all i never doubted

i would be the one who still WANTS ...YOU
