He says
"Tag, you're it"
And i wait helpless
But i'm waiting nonetheless

It's just a little mess
That mr what's-his-name
Had left behind
It's just a little mess
It's just a little mess

It's not the end of the world

I'll clean up later
I'll clean up later
I'll clean up later
I'll clean,
I'll clean up later

When he says
I'm complete
Was it a reflex
Was he aiming for the head?

It's just a little mess
That mr what's-his-name
Had left behind
It's just a little mess
It's just a little mess

It's not the end of the world
It's not the end of the world

I'll clean up later
I'll clean up later
I'll clean up later
I'll clean,
I'll clean up later

I'll clean up later
I'll clean up later

It's falling on the ground
I wear my weakness
When you're around

It's just a little mess
It's just a little mess

It's just a little mess
I'll clean up later

I'll clean up later
I'll clean up later
I'll clean up later
I'll clean,
I'll clean up later
