looking out of the window  
and i'm staring out at the sky  
swimming thoughts and i'll stay with you  
and if you can apply, a fashionable device  
so fasten me to your shoulders  
and i'll take you up to the sky  
and then two of us, we will rise up  
we'll have to close our eyes  
so not to see the lies

oh my darling the sky is falling  
yeah, we gotta get away  
we gotta find out way home

phoenix out of the ashes, nonono  
no need to struggle now, no  
we're like peacocks who rarely do fly  
the struggle will arise, when we have arrived

oh my darling the sky is falling  
yeah, we gotta get away  
we gotta find out way home  
yeah, oh my darling the sky is falling  
yeah, we gotta get away  
we gotta find out way home

when the world comes  
crashing down around us,  
we will rise  
when the world comes  
crashing down around us,  
we will rise

WE WILL RISE  
WE WILL RISE  
WE WILL RISE  
WE WILL RISE

oh my darling the sky is falling  
yeah, we gotta get away  
gotta find out way home now

yeah, oh my darling the sky is falling  
yeah, we gotta get away  
gotta find out way home

when the world comes  
crashing down around us,  
we will rise

WE WILL RISE  
WE WILL RISE  
WE WILL RISE  
WE WILL RISE  
WE WILL RISE!  
WE WILL RISE!
