Opportunity is a decision
I want a choice but not a religion
I like a position where i take control
But i'm not responsible for your soul
You see, i think that shit this is a game
And all of my problems have the same old name
So drop your vice
Aren't you glad i'm so nice
I want to turn it all around again
Opportunity, better off dead
Opportunity, stay in bed
Hey - let me go
I'm a hypocrite for what i think
No wonder all i do is drink
My face is numb
I feel like scum
My situation makes me feel dumb
I think i've got the answers now
Eliminating telling how
Belief is what i execute
Don't believe it pays to tell the truth
Opportunity, better off dead
Opportunity, stay in bed
Hey - let me go
I don't want to be the one you can turn to and blame
When it all falls apart
I'm not a catalyst for your anger
I've got enough of my own...
