I'm not your average girl  
Living in your ordinary world  
I'm aiming high like a G5

What he don't understand  
This girl she got her own demands  
I know just what I want

You seem so so so sincere  
Spittin lies all up in my ear  
Thinking I don't know the score  
You can mess with her  
But I want more

Need a new boyfriend  
Someone who appreciates  
All the things that makes me so great  
I need a new boyfriend  
Treats me like a superstar  
Always keeps a smile on my face

I promise you one thing  
You'll never let me down again  
Just watch me walk on by  
You get what you deserve  
Tell me now baby does it hurt  
I'm tired of playing alone

I thought that it was real  
Now I know what not to feel  
Wish it was all a dream  
Go on and mess with her  
But not with me

Need a new boyfriend  
Someone who appreciates  
All the things that makes me so great  
I need a new boyfriend  
Treats me like a superstar  
Always keeps a smile on my face

I can choose any boy

A skater, punk, or cowboy  
Maybe one with southern charms

Could be from the 310  
Paris, France, or Tokyo  
To think you are the only one  
Na, Na, Na, Na, Na...

Goodbye

Need a new boyfriend  
Someone who appreciate  
All the things that makes me so great  
I need a new boyfriend  
Treats me like a superstar  
Always keeps a smile on my face
