Lost in my own world  
Lost in my own world  
Lost in my  
Lost in my own world  
Lost in my own world  
Lost in my  
Getting to the right  
Getting to the wrong  
Getting mine  
Getting to the right  
Getting to the wrong  
Getting high

Losing your mind  
Losing your mind  
It's blurring  
It's fading  
Yours soul's on fire  
Its black and white

Burning inside  
Burning inside  
Burning into white  
Burning inside  
Burning inside  
Burning into night  
Yourself collides  
Yourself collides  
Yourself into mine  
Yourself collides  
Yourself collides  
Yourself splitters like

Losing your mind  
Losing your mind  
It's blurring  
It's fading  
Your souls on fire  
It's black and white

Blurring the light

Blurring the light  
It's ours for the taking  
Flickering colors  
It's black and white
