Don't wake me up for anything less than 10 grand
today

Drugs, fashion, flying, crashing, music, sex and talking
trash and holidays.

Good people don't make the headlines, rules are only
guidelines anyway.

I got brains
But they're overrated anyway.
I got brains
But they're overrated anyway.
You think that's funny?
You think that's funny?

Arrested for possession then get let off with a benefit
for charity.

Never miss a moment, never miss a beat, take this
opportunity.

I got brains (Brains!)
But they're overrated anyway.

You think that's funny?
