I've seen my share
of skyscrapers
and I'm not looking up at the sky to see business suites

I've seen my share
of pirate gold
And all them pirates running out for more

I've been around
enough to know
what it is to search for meaning in meaninglessness
(2x)

I've seen my share
of faith before
and you're not gonna see me falling down on the floor

I do my best
from day to day
cause there's no such thing as the future anyway

I've been around
enough to know
what it is to search for meaning in meaninglessness
(2x)

(Instrumental)

I've been around (I've been around)
Enough to know (enough to know)
What it is to search for meaning in meaninglessness
(2x)

I've seen my share
of skyscrapers
and I'm not looking up at the sky to see them

I've seen my share
of pirate gold
and all them pirates running off for more

I've been around
enough to know
what it is to search for meaning in meaninglessness
(2x)
