I can see that I've been lying to myself  
I can see that I've been lost in all your lies

Your words seemed true  
You're so deceiving  
But I'm not believing anymore

You take the life right out of me  
I'm not who I used to be  
No I won't let you in  
To take the life away from me

I can see you for the liar that you are  
I can see your hands will try and bring me down

Your words seemed true  
You're so deceiving  
But I'm not believing anymore

You take the life right out of me  
I'm not who I used to be  
No I won't let you in  
To take the life away from me

[x2]

Away from me

You take the life right out of me  
I'm not who I used to be  
No I won't let you in  
To take the life away from me
