Send them flowers
Masticate us meat contenders
Undevelop
Contemplate a life as fur for
Superpowers
Abjuration in December
Were you tempted
By a life of contemplation

I'll raise you - erase you

Look at you now So far from why and how

Quiet attire
Oven plant shareholders prosper
Sound investments
Syncretism in mag-lite by the
Twilight barrier
Bargain price as false as Gospel
We're all templed
By the life of contemptation

They'll raid you - invade you

What have you done Now can you tell who's the one?
