I go round moping and I go around blue
I made you cry for I had been untrue
And now I cry for you

Won't you come back silly girl, come back to me?
Come back silly girl, can't you see I'm in love? Oh oh

Your mother tells me that you're not at home
Each time I call you on the telephone
Oh I'm so lost and alone

Won't you come back silly girl, come back to me?
Come back silly girl, can't you see I'm in love?
Come back, my love, come back, my love

Don't know how long I can go on this way
I think of you most everyday
I only hope and pray

That you'll come back silly girl, come back to me
Come back silly girl, can't you see I'm in love?

Come back silly girl, can't you see I'm in love?
Come back silly girl, can't you see I'm in love?
Come back silly girl, can't you see I'm in love?
