And when I told her  
I didn't love her anymore  
She cried (she cried)  
And when I told her  
Her kisses were not like before  
She cried (she cried)  
I thought that our romance was over and done  
But to her it had just begun

And when I told her  
Another girl had caught my eye  
She cried (she cried)  
And when I kissed her  
A kiss that only meant goodbye  
She cried (she cried)

(Sha-la-la-la sha-la-la)

And when I told her  
I didn't love her anymore  
She cried (she cried)
