Sherry don't go, talk to me girl  
Give me a chance to say what's hiding only  
In the corners of my mind

Don't run away, stay with me girl  
Without you, all my world would tumble down  
And all my dreams would crumble 'round me  
Shadows would always follow me

I need your love, Sherry don't go  
I need your love, Sherry don't go  
I need your love

I know that yesterday I ran away  
I acted like a child playing  
Games he had never learned to play

I've been on the bridge all alone by the river  
And watched little paper boats sail softly by  
I saw in the water a bird leaving footprints in the sky

I need your love, Sherry don't go  
I need your love, Sherry don't go  
I need your love, Sherry don't go  
I need your love, Sherry don't go  
I need your love, Sherry don't go
