[Intro: Jadakiss] World get ready for Josh, N-USA, D-Block HA-HAH!!!! [Verse One: Josh Z-Antus] 5'7 with a light brown eyes Head to your toe this shorty was fine I, walked in and I gave her a smile I couldn't rush it depends I have to take my time And, I couldn't make it so obvious But this girl caught my eye when she moved the hips I tried to play really hard to get But this girl blew my mind when she blew me a kiss [Chorus: Josh-Z-Antus] (Now baby girl let's ride!!!) Come and take a ride with me Sit on the side of my passenger seat (Now baby girl let's roll!!!) I know your feelin sexy I wanna take you to my fantasy (Now baby girl let's ride!!!) Tell your friends you ridin with me So I can give you everything you need (Now baby girl let's roll!!!) I know your feelin tipsy I wanna be your fantasy [Verse Two: Josh Z-Antus] Girl your lookin nice, I drop the top and AMG We could cruise at night, And no this ain't a room Got you feelin right, girl you know it, cause you show it I wanna give you the world, It's your lucky night girl [Chorus: Josh-Z-Antus] (Now baby girl let's ride!!!) Come and take a ride with me Sit on the side of my passenger seat (Now baby girl let's roll!!!) I know your feelin sexy I wanna take you to my fantasy (Now baby girl let's ride!!!) Tell your friends you ridin with me So I can give you everything you need (Now baby girl let's roll!!!) I know your feelin tipsy I wanna be your fantasy [Verse Three: Jadakiss] Aiiyyo honey lookin real right, body real tight 'Bout to turn a fantasy into real life Just cause I wanna know what it feels like You know the first time usually a ill night After you get it in, good girls swear they never sin I wanna take her where she never been Uh, yeah but patience a virtue We could do the G4 thing or commercial And I ain't tryin to overexert you So we could just chill in the crib, blow purple Sip San Grier, then I'm a start on your ear Work my way around to your rear But now it ain't nothin but love in the air Killin her from the back I got love in the air Then I lit a few doves of sour And make baby girl jump in the shower [Chorus: Josh-Z-Antus] (Now baby girl let's ride!!!) Come and take a ride with me Sit on the side of my passenger seat (Now baby girl let's roll!!!) I know

your feelin sexy I wanna take you to my fantasy (Now baby girl let's ride!!!) Tell your friends you ridin with me So I can give you everything you need (Now baby girl let's roll!!!) I know your feelin tipsy I wanna be your fantasy [Bridge: Josh-Z-Antus] Grab your bag and let's dip Girl let's just dip, let's just dip Take you straight to the whip Girl to the whip, to the whip Take you straight to the crib Girl to the crib, to the crib I wanna show you girl how I live Girl how I live, how I live [Chorus: Josh-Z-Antus] (Now baby girl let's ride!!!) Come and take a ride with me Sit on the side of my passenger seat (Now baby girl let's roll!!!) I know your feelin sexy I wanna take you to my fantasy (Now baby girl let's ride!!!) Tell your friends you ridin with me So I can give you everything you need (Now baby girl let's roll!!!) I know your feelin tipsy I wanna be your fantasy (Now baby girl let's ride!!!) Come and take a ride with me Sit on the side of my passenger seat (Now baby girl let's roll!!!) I know your feelin sexy I wanna take you to my fantasy (Now baby girl let's ride!!!) Tell your friends you ridin with me So I can give you everything you need (Now baby girl let's roll!!!) I know your feelin tipsy I wanna be your fantasy [Outro: Josh-Z-Antus] Now baby girl let's ride!!! Now baby girl let's roll!!! Now baby girl let's ride!!! Now baby girl let's roll!!!
