yeah-eh
spin around come back home
your runin out on a line
sometimes feel I'm going out of my mind
stunded here watin for anyone to take the time
spin around we get further and further away
smile and wave aint got got nothin to say
stuned here waiting for anyone to take the time
to change my mind

Ive been starig at the sun sometime
it gets dark inside but I don't mind
and if your gone its like I am going blind
I can't get by
this time

spin around jump back take another look at yourself
you've been hiding all alone on a shelf
frozen wating for anyone wholl change my mind
spin around come down now cause its all getting clear
everything you ever wanted is here
we never needed anyone to change your mind
don't waste our time
were fine

ive ben staring at the sun some time
it gets dark inside but i dont mind
and if your gone its like im going blind
I can't get by this time
