I feel good yeah I feel fine,
I've stopped complainin' all the time,
You'll get yours and baby I'll get mine,

So don't be fooled by what you see,
In movies magazines and on TV,
What do they know about you and me,
We don't care what they say,
We'll be alright we'll be ok

Na na na na
Na na na na
Na na na na yeah yeah

So stand up straight and stand up tall,
Don't waste your time in shopping malls,
Slam the door and let's tear down the walls,
Crack it up let's mess around,
Be who you are cause you're a star,

Na na na na
Na na na na
Na na na na yeah yeah you're a star
