Wanna set the world on fire  
That is my one mad desire  
I'm a devil in disguise  
Got murder in my eyes

Now I could see blood runnin'  
Through the streets  
Now I could see blood runnin'  
Through the streets  
Could be everybody  
Layin' dead right at my feet

Now man who invented war  
Sure is my friend  
The man invented war  
Sure is my friend  
Don't believe that I'm sinkin'  
Just look what a hole I am in

Give me gunpowder  
Give me dynamite  
Give me gunpowder  
Give me dynamite  
Yes I'd wreck the city  
Wanna blow it up tonight

I took my big Winchester  
Down off the shelf  
I took my big Winchester  
Down off the shelf  
When I get through shootin'  
There won't be nobody left
