[Intro: Cru]

Whenever I'm far gone  
Know I get my blog on  
Shawty u should log on  
I'm do it till we all on  
Spend it till it's all gone  
I'm who you should call on

[Verse 1: Impirio]

Shawty you should log on  
You know that we get it in  
You know I'ma take it there  
You know I represent  
Fresher than a peppermint  
Better than I ever been  
Who's the star? You are  
Flashes from the camera lens  
After clubs that we attend  
We be doing what we do  
Time for me to log on  
Now it's just me and you  
Get it in dot com  
Get it in dot net  
Get it in dot org  
Girl I'm somethin' like a fed  
Uh huuuhh  
Impirio be straight killin'  
Flow so amazin'  
I'm feelin' like a million  
And when I get it in  
I'ma take you to the ceiling  
Love so high  
Can't nobody match the feelin'

[Chorus: Cru]

Whenever I'm far gone  
Know I get my blog on  
Shawty you should log on  
(Get it in dot com)  
I'm do it till we all on  
Spend it till it's all gone

I'm who you should call on  
(Get it in dot com)  
City slicker, city skipper,  
Club hopper, bottle popper  
I be on my grind  
(Get it in dot com)  
Hit maker under taker  
Underdog last man standing  
You know why (get it in dot com)

[Verse 2: Impirio]

Who get it in like we do  
This is for my people  
If I'm out I'm going in  
Nope it's not a preview  
Brand new everything  
You'll think my life's illegal  
She thinks I'm in a league  
And I'm feelin' like me  
To a young Shaq diesel  
So I don't see you  
We get the club poppington  
You gon' need some oxygen  
If u ain't used to this  
You just gotta rock with it  
I'm say this one time  
Ain't no stopping him  
I got my bro Cru with me  
What's after she like me  
Did you miss me?  
I'm making hits like the new Ken Griffey  
You say you get it in, huh?  
That's kinda iffy, I'm saying

[Chorus: Cru]

Whenever I'm far gone  
Know I get my blog on  
Shawty you should log on  
(Get it in dot com)  
I'm do it till we all on  
Spend it till it's all gone  
I'm who you should call on  
(Get it in dot com)  
City slicker, city skipper,  
Club hopper, bottle popper  
I be on my grind  
(Get it in dot com)  
Hit maker under taker  
Underdog last man standing  
You know why (get it in dot com)
