[Chorus: Cru]

I knew it from the beginning sha-sha-sha-shawty's a winner

She said she really like me

There is no doubt about it I got her tellin' her friends about it

She know she like me

[Verse 1: Impirio]

Excuse my flyness it's the "I" up in the buildin'

Shawty really like me before I got icy

Before I was flyer then a star

Now I'm always on her mind when I'm kicking these bars

Cause I'm ahead of my time it's kinda crazy

Her close friends be checkin' too

I keep it true to her, there's things that I'll never do

We on schedule, you knowin' that this love will grow

Plus it's only to you them feelings that I show

[Chorus: Cru]

I knew it from the beginning sha-sha-sha-shawty's a winner

She said she really like me

There is no doubt about it I got her tellin' her friends about it

She know she like me

She li-li-li-like

She said she like me

She li-li-li-like

She said she like me

She li-li-li-like

She said she like me

She li-li-li-like

She li-li-li-like

[Verse 2: Impirio]

She li-li-li-like my swag's so perfect

I can give it to you my baby girl is worth it

These other girls don't come close I'm certain

That we gon' last long, as long as I'm on this earth

switch!

Back to the crib we layin' in the bed  
Body lookin' right and them thoughts in my head  
She never had no one that would do it like this  
Probably never will, I'm number one still  
I know you like me, that I know  
The way she put it on me, our time will grow  
She like me and that's fasho  
That's fasho baby girl let's roll

[Bridge: Cru]

Shawty girl approached me so smoothly  
Looked me up and down like who's he?  
Back of her mind she wanna do me  
Chunky chain on looking mmm mmm good  
Something right out of a movie scene  
She asked me will you dance with me?  
I said girl yes, she pulled me near,  
And whispered in my ear

[Chorus: Cru]

I knew it from the beginning sha-sha-sha-shawty's a  
winner  
She said she really like me  
There is no doubt about it I got her tellin' her friends  
about it  
She know she like me  
She li-li-li-like  
She said she like me  
She li-li-li-like  
She said she like me  
She li-li-li-like  
She said she like me

[Bridge: Cru]

Shawty wanna roll with me, she know I got my cake  
She wanna be my ice cream  
Shawty wanna roll with me, she know I got my cake  
She wanna be my ice cream

[Chorus: Cru]

I knew it from the beginning sha-sha-sha-shawty's a  
winner  
She said she really like me  
There is no doubt about it I got her tellin' her friends  
about it
