Take what you need and
Then leave me to bleed here
Find satisfaction
And then just dissappear

You say you are true
But you're not true
And you said you'd be here
But you're not here
You say that you care
But you don't care
And you say you're like me
But you're not like me at all

I'm just floating, floating around
You're standing with 2 feet on the ground
I I I'm hanging upside down
And I wonder
Aren't we a little old for this?
I wanna wanna do
The Spider-Man kiss

Make me adore you
Then roll to your own side
Find satisfaction
In making my heart hide

You say you're in love
But it's not love
And you said you would call
But you never call
You say you are true
But you're not true
And you say I'm like you
But I'm not like you at all

I'm just floating, floating around
You're standing with 2 feet on the ground
I I I'm hanging upside down
And I wonder
Aren't we a little old for this?

I wanna wanna do
The Spider-Man kiss

Kiss me boy don't be such a baby
I'm not your toy and you're not my lady
